Executive Order No. 2026-10-23-01

Title: Imposition of Targeted Diplomatic and Entry Sanctions Against HM Earl Uoylt of Central Mercia

Issued: October 23, 2026

Effective: Immediately upon signing

Issuing Authority: Acting President Gavin Norberg

Section 1. Purpose

In response to the public endorsement of the Natowan Monarchist Movement (NMM) by HM Earl Uoylt of Central Mercia, the Government of the Commonwealth of Natowa hereby establishes targeted diplomatic and entry sanctions against the aforementioned individual.

The Commonwealth of Natowa considers foreign political support for movements seeking to undermine its constitutional government a matter of national concern.

These measures are intended to protect Natowa's sovereignty, uphold its constitutional institutions, and formally express the government's opposition to foreign interference in its internal affairs.

Section 2. Findings

The Office of the Acting President recognizes the following:

1. The Natowan Monarchist Movement is engaged in an ongoing political conflict with the constitutional government of the Commonwealth of Natowa.
2. HM Earl Uoylt has publicly expressed support for and endorsed the Natowan Monarchist Movement.
3. The Earl's statements contradict the previously reported position of Central Mercia's Council of State, which pledged support for the Natowan government.
4. The Earl has additionally characterized the Commonwealth of New Ridge, a diplomatic partner of Natowa, as an enemy.
5. Such statements warrant a targeted diplomatic response from the Government of the Commonwealth of Natowa.

Section 3. Diplomatic Sanctions

Effective immediately, the following diplomatic restrictions shall apply to HM Earl Uoylt:

1. All official diplomatic engagement between the Government of the Commonwealth of Natowa and HM Earl Uoylt shall be suspended.
2. HM Earl Uoylt shall not be recognized as an authorized representative of Central Mercia in any official diplomatic negotiations, conferences, or agreements involving Natowa.
3. Natowan government officials shall not enter into diplomatic agreements or establish official diplomatic cooperation with HM Earl Uoylt.
4. Any existing diplomatic privileges or special recognition granted to HM Earl Uoylt by the Commonwealth of Natowa, if applicable, shall be suspended.

Section 4. Entry Sanctions

Effective immediately, HM Earl Uoylt shall be subject to the following entry restrictions:

1. Entry into Natowan-controlled territory shall be prohibited, to the extent permitted by applicable law and property rights.
2. HM Earl Uoylt shall be prohibited from attending official Natowan government events, ceremonies, or diplomatic gatherings without express authorization from the Office of the Acting President.
3. Exceptions may be granted by the Acting President for humanitarian, emergency, or diplomatic purposes.

Section 5. Scope of Sanctions

These sanctions apply exclusively to HM Earl Uoylt.

No sanctions are hereby imposed against the Central Mercian Council of State, the Central Mercian government as a whole, or the general population of Central Mercia.

The Commonwealth of Natowa acknowledges the Council of State's previously expressed support for the constitutional government of Natowa and distinguishes its position from the individual statements of HM Earl Uoylt.

Section 6. Duration and Review

1. The sanctions established under this Executive Order shall remain in effect indefinitely unless modified or revoked by the Acting President or a lawful successor.
2. The Office of the Acting President may review these sanctions following a formal withdrawal of support for the Natowan Monarchist Movement by HM Earl Uoylt.

3. The Commonwealth of Natowa reserves the right to expand, modify, or terminate these sanctions in response to future developments, consistent with applicable Natowan law.

Section 7. Implementation

All relevant executive departments, diplomatic representatives, and government officials of the Commonwealth of Natowa are hereby directed to implement and enforce the provisions of this Executive Order within their respective lawful authorities.

No provision of this Order shall be interpreted as granting authority beyond that established under the Constitution and laws of the Commonwealth of Natowa.

Section 8. Effective Date

This Executive Order shall take effect immediately upon its signing and official publication.

SO ORDERED.
